

## When Feeling Lonely

Mary, my mother and my sister,  
when Jesus left Nazareth did  
you feel all alone? That is how  
I feel today. The loneliness weighs  
down my heart and leaves me  
fretting and a little bit anxious.  
I know I can turn to you and tell  
you all my troubles. You have  
carried so much more. Be close  
to me and bring me close to  
your son, Jesus.
